

COLORADO AMERICORPS*STATE AND LEARN & SERVE 2006 Calendar of Reports, Conferences, Workshops, Service Days

Note: The Colorado Governor's Commission on Community Service sets deadlines for all reports due from its grantees. These dates precede and take precedence over due dates shown in the 2005 Provisions. This enables the Commission to work with grantees and to review materials and assemble materials into consolidated submissions. Dates in the Provisions are final due dates that apply to submission of the Commission's aggregate report, not individual program reports.

IMPORTANT: PROGRAMS THAT CHANGED STATUS FROM FORMULA TO COMPETITIVE WILL NEED TO KEEP THEIR FISCAL AND PROGRAM REPORTING SEPARATE FOR THE TWO GRANTS AND REPORT ON THE GRANTS SEPARATELY UNTIL EACH PROGRAM YEARS IS CLOSED.
